Please keep this document in a safe place

Our commitment to you

We will:

- only arrange for funds to be debited from your account as authorised in the Direct Debit Request
- give you at least 14 days notice in writing before changing the terms of the debiting arrangements, unless you request the change
- keep information about your Direct Debit Request private and confidential unless otherwise required by the Bulk Electronic Clearing System (BECS) rules. You acknowledge that we may be required to disclose details of your direct debit request to our sponsor bank to assist with the checking of any incorrect or wrongful debits to your nominated accounts.

If the date on which we usually debit your account falls on a weekend or public holiday, your account will be debited on the next working day.

Your commitment to us

It is your responsibility to:

- ensure your nominated account can accept direct debits and that all account holders on the nominated account agree to the debiting arrangements
- ensure that the account details that you have provided are correct by checking them against a recent account statement
- advise us if the nominated account is transferred or closed, or the account details have changed
- ensure there are sufficient funds available in the nominated account to meet each direct debit
- check with the financial institution if you have any queries about how to complete the direct debit request.

If there are insufficient funds in the nominated account, the financial institution may charge a fee and/or interest. We will not charge a fee. You may arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.

Your rights

You may defer, alter or cancel the debiting arrangements you hold with us at any time by providing notice to us or through your nominated financial institution. We must receive notice at least 14 days before the next debit is due.

If you consider that a debit has been initiated incorrectly, you should contact us directly. We will then investigate your query.

If we find that your account has been incorrectly debited we will arrange for the financial institution to adjust your account, including interest and charges, accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

If we find that your account has not been incorrectly debited, we will provide you with our reasons and any evidence for our finding in writing.

If we cannot resolve the matter, you can refer it to the financial institution, which may lodge a claim on your behalf.
