What documents make up your policy?

Your policy consists of the following documents:

- this PDS and any Supplementary Product Disclosure Statement (SPDS) we may subsequently provide to you
- your Policy Schedule, and
- any endorsements or other notices we may give to you in writing.

How to read this PDS

'You' and 'your'

References to 'you' and 'your' refers to the applicant for insurance i.e. the prospective 'policy owner' and 'principal life insured'.

Policy owner

There can only be one policy owner for each policy. The policy owner is the owner of the policy and principal life insured, as referred to in the Policy Schedule.

The policy owner is the only person who may extend, vary, cancel or otherwise exercise any rights under the policy.

The policy owner is responsible for paying the premium and is the only person who is entitled to receive any benefits payable under this policy in the event that a life insured suffers an insured event as described in this PDS.

Life insured

There can be up to two lives insured under this policy.

A 'life insured' is a person who is to be insured or a person who is named in the Policy Schedule as the principal life insured or the second life insured. The second life insured must be the partner of the policy owner.

Wherever appropriate, references to principal life insured and second life insured will be made explicit.

Features

Eligibility to apply

To be eligible for cover, a life insured must be:

- aged between 18 and 59
- an Australian or New Zealand citizen or a holder of an Australian Permanent Residency Visa, and
- currently residing in Australia.

You must receive this PDS in Australia.

Cover amounts

The following table shows the minimum and maximum cover amounts available for the Major Illness and Injury Benefit.

Age at application	Minimum sum Insured	Maximum sum insured
18-44	\$25,000	\$750,000
45-54	\$25,000	\$375,000
55-59	\$25,000	\$125,000

We may limit the total cover amount we pay under the policies a life insured has with us (as described in the 'Benefit limitations' section of this PDS).

Major Illness and Injury Benefit

The Major Illness and Injury Benefit is a benefit which provides a single lump sum payment to you for a valid claim where a life insured suffers one or more of the following specified conditions:

- cancer^{*±}
- chronic kidney failure
- coronary artery by-pass surgery^{*±}
- heart attack^{*±}
- multiple sclerosis[±]
- paralysis
- severe burns
- stroke^{*±}

* These specified conditions are subject to a qualifying period for the benefit to be payable.

± These specified conditions must be diagnosed and certified by a specialist medical practitioner.

The Policy Schedule will show if a life insured has cover for the Major Illness and Injury Benefit and if so, the amount of cover under the policy for this benefit.

For a claim to be paid for the Major Illness and Injury Benefit, the diagnosis and certification of the specified condition must be made by a medical practitioner or specialist medical practitioner agreed to by us.

Upon payment of the Major Illness and Injury Benefit for a life insured, cover in respect of the life insured for this benefit will end.

Qualifying period for the Major Illness and Injury Benefit

There is no Major Illness and Injury Benefit cover and no benefit will be payable if the specified condition(s) marked with an '*' first occur, or are first diagnosed, or the symptoms leading to the condition(s) first become reasonably apparent during the first 90 days after:

- the date from which the Major Illness and Injury Benefit cover commences
- the date of the most recent reinstatement of the Major Illness and Injury Benefit cover, or
- the date of an increase in the amount of the Major Illness and Injury Benefit cover (in respect of the increased portion of cover only).

Survival period

A life insured must survive eight days without life support after the date of occurrence or diagnosis of the specified condition for the benefit to be payable.

Indexation

At each policy anniversary date, the sum insured for the Major Illness and Injury Benefit as shown in the Policy Schedule, will automatically increase by either the indexation factor or 5%, whichever is the greater.

As the sum insured and cover amounts increase, the premium will also increase. If you do not want the indexation increase, you must notify us within 30 days of the increase occurring.

We will cease to offer indexation when a life insured reaches the maximum sum insured applicable to that life insured at age of application.

Benefit payments

All benefits are paid to you. Benefits are payable under the terms and conditions of the policy. A life insured must also satisfy our claim requirements.

Benefit limitations

We may limit the total cover amount we pay under all policies you have with us in two ways:

1. If you have more than one EasyProtect Major Illness policy, we may limit the total of all cover amounts payable to the maximum sum insured for each life insured's age at application (as shown in the 'Cover amounts' section of this PDS).

and

2. Where a life insured is covered under more than one policy issued by us, we may also limit the cover amounts payable under this policy so that the total of that life insured's lump sum cover amounts payable does not exceed \$3 million.

If we limit cover in accordance with this section, we will refund premiums in respect of the reduced portion of cover on a pro-rata basis.

General Information

About the premium

We calculate the premium at the policy acceptance date and at each policy anniversary date. The premium payable for the first year of the policy will be shown on the Policy Schedule.

Premiums can be paid fortnightly, monthly and annually by direct debit from a credit card or bank account. You need to pay the premiums when due to keep the policy in force.

You may be entitled to earn Qantas Frequent Flyer points on the premiums you pay for this policy. Please visit our website at onepath.com.au/qff-terms-conditions for details.

This policy does not have a savings, investment, cash or surrender value. The premiums for this policy are paid into our No. 1 Statutory Fund.

Premium rates

We calculate the premium by reference to a table of premium rates for the cover(s) selected. A table of premium rates is available on request or we can prepare a premium quotation for you by calling 1800 500 229.

In setting the premium we take into consideration each life insured's age, gender and smoker status, any applicable medical loadings, the costs of setting up and administering the policy, a policy fee and any stamp duty and other government charges that may apply.

We may increase the premium rates at any time, but only after giving you 30 days notice of the change and only with effect from the policy anniversary date after the change. Premium rates cannot increase for an individual policy within a defined risk group unless all premium rates for all policies in that defined risk group are increased.

Discount for combined cover

If you take out cover for yourself as the principal life insured and also for a second life insured, the following discounts will apply to the premium in respect of the second life insured:

- if you pay fortnightly a discount of \$2.50 off the fortnightly premium
- if you pay monthly a discount of \$5 off the monthly premium
- if you pay annually a discount of \$40 off the annual premium.

Discount for paying premiums annually

If you pay your premium annually a discount will apply. The discount will be included in the calculation of your annual premium as shown in your premium quotation.

Exclusions

We will not pay a claim arising directly or indirectly from:

- a life insured's intentional or deliberate act or omission
- a life insured contracting Human Immunodeficiency Virus (HIV) or AIDS
- war (whether formally declared or not), hostilities, civil commotion or insurrection, or
- a life insured visiting a country for which the Australian Department of Foreign Affairs and Trade (DFAT) has issued a 'Do Not Travel' warning advice that is in force during the time a life insured stays in that country.

Policy start and end

Cover under the policy begins on the policy acceptance date.

The policy will end when the earliest of the following events occur:

- the policy anniversary date after the policy owner turns 70 (unless the policy is assigned as set out below)
- upon the payment of the Major Illness and Injury Benefit in relation to both the principal life insured and second life insured

- upon death of the policy owner (unless the policy is assigned as set out below)
- the date we cancel the policy, in accordance with our legal rights, including in circumstances where we do not receive the premium when due
- cancellation of the policy by the policy owner.

Where the policy provides cover for a second life insured, then:

- if the principal life insured (policy owner) dies,
or
- on the policy anniversary date after the policy owner turns 70,

the policy owner (or, in the event of their death, the policy owner's estate) may assign the policy to the second life insured.

As from the assignment date, the second life insured will become the named policy owner and the principal life insured under the policy. This information will be specified in writing, and all covers and benefits relating to the second life insured will then continue.

Policy assignment will not be possible on the death of both life insureds and cover will end in the event of the death of both life insureds.

When does cover for a life insured end?

Cover for all benefits for a life insured will end on the policy anniversary date after that life insured's 70th birthday.

Area of cover

Cover applies 24 hours a day, 365 days a year, anywhere in the world, subject to the terms and conditions of this policy.

Cooling-off period and cancellation

You may cancel the policy at any time.

If the policy is cancelled or avoided during the 21 day cooling-off period, we will return any premiums paid, provided no claim has been made. After the cooling-off period, we will not refund any monthly or fortnightly premiums if the policy is cancelled.

We will pay a pro rata refund where premiums are paid annually and you cancel the policy before the next annual payment is due.

You can cancel the policy within 21 days of receiving the Policy Schedule by contacting us on 1800 500 229.

Insurance risks

The insurance risks you should be aware of include:

- the type of insurance cover you select may not provide the appropriate cover for your needs
- the amount of insurance cover you select may not be sufficient to cover your needs, and
- if we do not receive the premiums when due, we may cancel the policy in accordance with our legal rights and may not assess any claim that arises from an event which occurs after the cancellation date.

Duty of disclosure

Before you enter into a contract of life insurance with an insurer, you have a duty, under the *Insurance Contracts Act 1984*, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of life insurance.

Your duty however does not require disclosure of matter:

- that diminishes the risk to be undertaken by the insurer,
- that is of common knowledge,
- that your insurer knows or, in the ordinary course of his/her business, ought to know, or
- as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within three years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within three years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had disclosed all relevant matters to the insurer.

Misrepresentations

If your application for cover includes any misrepresentations and the insurer would not have entered into the contract on any terms if the misrepresentation had not been made, the insurer may avoid the contract within three years of entering into it. If your misrepresentation is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within three years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had not made the misrepresentation.

Claims

If a claim needs to be made, please call our Customer Services team on 1800 500 229 and we will advise you, or your estate, of all the necessary requirements and send the appropriate forms.

The cover under the policy will be as specified in the Policy Schedule or Annual Policy Summary which was current at the time of the event . All amounts payable will be paid to you or your estate in Australian currency.

If we are required to pay any tax, duty or government charge or levy relating to any amount payable under this policy, we may reduce the amount we pay by the amount of that tax, duty or government charge or levy.

Taxation

Generally, benefits are free of personal income tax and premiums are not tax deductible.

Taxation information in this PDS is based upon our interpretation of and the continuation of legislation in place as at the date this PDS is prepared. The information is of a general nature and may not apply to your individual circumstances. You should seek professional advice on your own taxation position.

If the CPI reduces over the relevant period, the indexation factor will be zero. Any subsequent increases in the CPI will first be offset against previous reductions in the CPI when we determine the next indexation factor. If the CPI is not published, we will calculate the indexation factor from another retail price index which, in our actuary's opinion, is the closest to it.

If there are insufficient funds in your account, you may be charged a fee by your financial institution. We will not charge a fee.

Your rights

You may defer, alter or cancel the debiting arrangements you hold with us at any time by providing notice to us.

Such notice should be received at least 14 days before the next debit is due.

When you consider that a debit has been initiated incorrectly, you should contact OnePath directly. We will then investigate your query.

If we find that your account has been incorrectly debited, we will arrange for your financial institution to adjust your account (including interest and charges) accordingly.

We will also notify you in writing of the amount by which your account has been adjusted.

If we find your account has not been incorrectly debited, we will provide you with reasons and any evidence for this finding. If we cannot resolve this matter, you can still refer it to your financial institution, which may lodge a claim on your behalf.
